

Brian Lipperd

Providing Different Strokes for Different Folks

Summary

Compassionate, solution-oriented, peer support specialist with a passion for painting. Extensive experience with canvas stretching, handcrafting custom frame designs, oil painting, life-size portraits, and murals. Adept at utilizing his artistic experience to provide healing liaison services for patients and medical staff.

Experience

- '19 – Present

Find Art Design
CEO | Business Owner
Scottsdale, Arizona, USA –

Confers with clients to determine the type of materials to use to generate the desired artistic results. Artistic projects range in scale from large murals to small watercolor portraits.
- '14 – Present

Peer Support Specialist
Volunteer
Phoenix, Arizona, USA –

Counsels' clients in individual or group sessions. Assists clients in articulating personal goals for recovery. Promotes the knowledge of available service options and choices. Speaks about self-experience.
- '16 – '19

Borghese Palace Hotel
Restoration Internship
Florence, Italy –

Photographed objects for documentation purposes. Determined the level of repair for each work of art. Cleaned objects, such as paper, textiles, wood, metal, glass, rock, pottery, and furniture, using various specialized solvents.
- '00 – '14

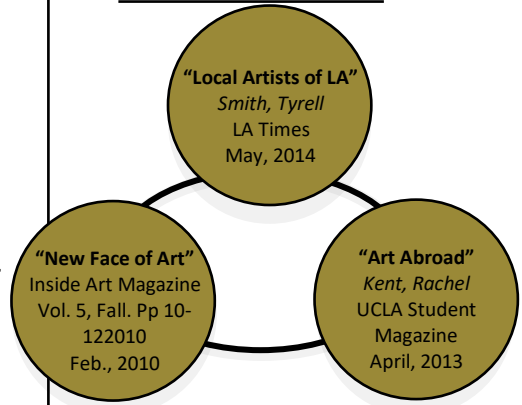

(10-99) Freelance Artist
CEO | Business Owner
New York City, New York, USA –

Conferred with clients to determine the type of materials to use to generate the desired artistic results. Artistic projects ranged in scale from large murals to small watercolor portraits.
